

## Monkey Immunoglobulin G ELISA Kit | IgG elisa kit

Monkey Immunoglobulin G ELISA Kit

CATALOG #  
**AAA102260**

REACTIVITY  
**Monkey**

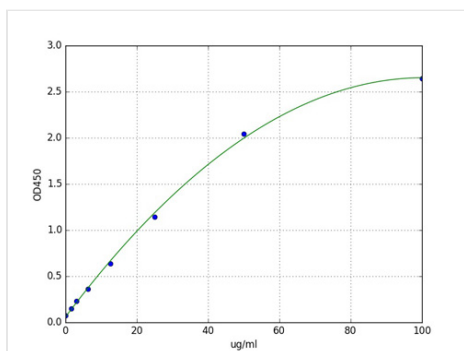

### PRODUCT SYNONYMS

Immunoglobulin G; Monkey Immunoglobulin G ELISA Kit; IgG elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Monkey                                                                                                                                                       |
| Sequence Length         | 464                                                                                                                                                          |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                                                                              |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples                                                                         |
| Detection Range         | 1.563-100ng/ml                                                                                                                                               |
| Sensitivity             | 0.938ng/ml                                                                                                                                                   |
| Preparation and Storage | Store entire kit at 2-8C for short-term. For longer-term, please store the microplate & standard at -20C, while the remaining reagents can be stored at 2-8C |

### NCBI AND UNIPROT INFORMATION

|                         |                          |
|-------------------------|--------------------------|
| NCBI GI #               | <a href="#">21538829</a> |
| NCBI Official Full Name | immunoglobulin G         |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
