

## Rabbit ARHGAP27 Polyclonal Antibody | anti-ARHGAP27 antibody

ARHGAP27 Antibody

| CATALOG # | HOST   | REACTIVITY                     | APPLICATIONS                              |
|-----------|--------|--------------------------------|-------------------------------------------|
| AAA112164 | Rabbit | Human<br>Predicted: Mouse, Rat | Immunohistochemistry, Western Blot, ELISA |

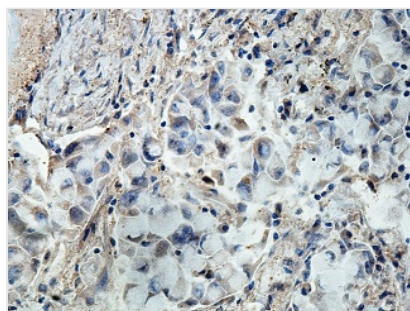

### PRODUCT SYNONYMS

ARHGAP27; Polyclonal Antibody; ARHGAP27 Antibody; anti-ARHGAP27 antibody

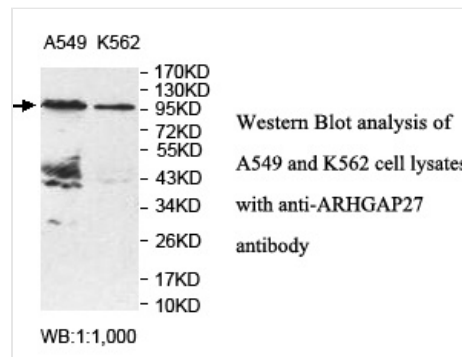

### PRODUCT SPECIFICATIONS

|                                                    |                                                                                                                                                                                            |
|----------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                               | Rabbit                                                                                                                                                                                     |
| Reactivity                                         | Human<br>Predicted: Mouse, Rat                                                                                                                                                             |
| Clonality                                          | Polyclonal                                                                                                                                                                                 |
| Form/Format                                        | Purified by protein affinity column containing 1% BSA and 0.02% NaN <sub>3</sub> .                                                                                                         |
| Sequence Length                                    | 2377                                                                                                                                                                                       |
| Applicable Applications for anti-ARHGAP27 antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                                                                                                                       |
| Preparation and Storage                            | Already reconstituted in 200ul sterile H <sub>2</sub> O. The antibody is stable for at least one year when stored at -20 degree C after reconstitution. Avoid repeated freeze/thaw cycles. |
