

## IL1B cdna clone

IL1B cDNA Clone

CATALOG #  
**AAA116337**

### PRODUCT SYNONYMS

IL1B; IL1B cDNA Clone; IL1B cdna clone

### PRODUCT SPECIFICATIONS

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

|----------------------------------|----------------------------------------|
| NCBI GI #                        | 14250476                               |
| NCBI GeneID                      | 3553                                   |
| Molecular Weight                 | 30,748 Da                              |
| NCBI Official Full Name          | Homo sapiens interleukin 1, beta, mRNA |
| NCBI Official Synonym Full Names | interleukin 1 beta                     |
| NCBI Official Symbol             | IL1B                                   |
| NCBI Official Synonym Symbols    | IL-1; IL1F2; IL1-BETA                  |
| NCBI Protein Information         | interleukin-1 beta                     |
| UniProt Protein Name             | Interleukin-1 beta                     |
| UniProt Gene Name                | <b>IL1B</b>                            |
| UniProt Synonym Gene Names       | IL1F2; IL-1 beta                       |
| UniProt Entry Name               | IL1B_HUMAN                             |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
