

## Rabbit anti-Human C1orf54 Polyclonal Antibody | anti-C1orf54 antibody

C1orf54 Antibody

|                               |                       |                            |                                                    |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA118570</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|

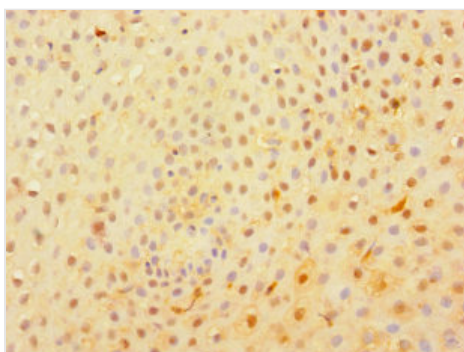

### PRODUCT SYNONYMS

C1orf54; Polyclonal Antibody; C1orf54 Antibody; Uncharacterized protein C1orf54; anti-C1orf54 antibody

### PRODUCT SPECIFICATIONS

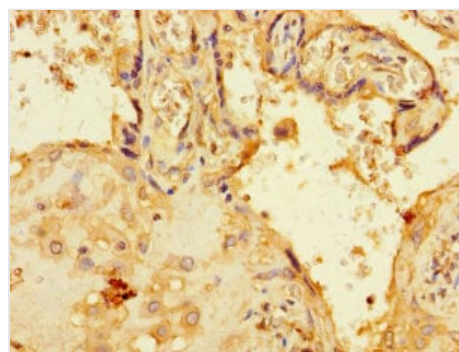

|                                                   |                                                                                                                |
|---------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                                         |
| Reactivity                                        | Human                                                                                                          |
| Clonality                                         | Polyclonal                                                                                                     |
| Isotype                                           | IgG                                                                                                            |
| Purity/Purification                               | >95%, Protein G Purified                                                                                       |
| Sequence Length                                   | 131                                                                                                            |
| Applicable Applications for anti-C1orf54 antibody | IHC (Immunohistochemistry), ELISA                                                                              |
| Storage Buffer                                    | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                               |
| Conjugate                                         | Non-conjugated                                                                                                 |
| Immunogen                                         | Recombinant human Uncharacterized protein C1orf54 protein                                                      |
| Santa Cruz Alternative                            | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-240107 / sc-240106                     |
| Preparation and Storage                           | Shipped at 4 degree C. Upon delivery aliquot and store at -20 degree C or -80 degree C. Avoid repeated freeze. |
