

## Rabbit anti-Human ZNF626 Polyclonal Antibody | anti-ZNF626 antibody

ZNF626 Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                              |
|-----------|--------|------------|-------------------------------------------|
| AAA119049 | Rabbit | Human      | Immunohistochemistry, Western Blot, ELISA |

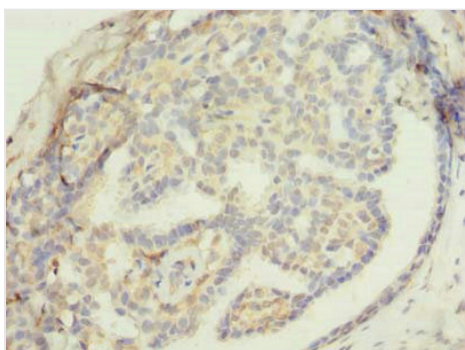

### PRODUCT SYNONYMS

ZNF626; Polyclonal Antibody; ZNF626 Antibody; Zinc finger protein 626; anti-ZNF626 antibody

### PRODUCT SPECIFICATIONS

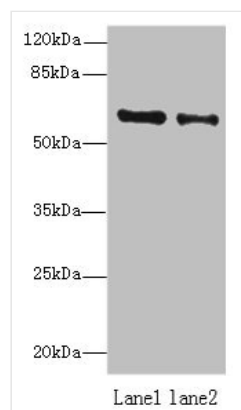

|                                                  |                                                                                                                |
|--------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Host                                             | Rabbit                                                                                                         |
| Reactivity                                       | Human                                                                                                          |
| Clonality                                        | Polyclonal                                                                                                     |
| Isotype                                          | IgG                                                                                                            |
| Purity/Purification                              | >95%, Protein G Purified                                                                                       |
| Sequence Length                                  | 528                                                                                                            |
| Applicable Applications for anti-ZNF626 antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                                           |
| Storage Buffer                                   | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                               |
| Conjugate                                        | Non-conjugated                                                                                                 |
| Immunogen                                        | Recombinant human Zinc finger protein 626 protein                                                              |
| Santa Cruz Alternative                           | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-249701                                 |
| Preparation and Storage                          | Shipped at 4 degree C. Upon delivery aliquot and store at -20 degree C or -80 degree C. Avoid repeated freeze. |
