

## Rabbit anti-Human KIAA1257 Polyclonal Antibody | anti-KIAA1257 antibody

KIAA1257 Antibody

|                               |                       |                            |                                                    |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA119695</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|

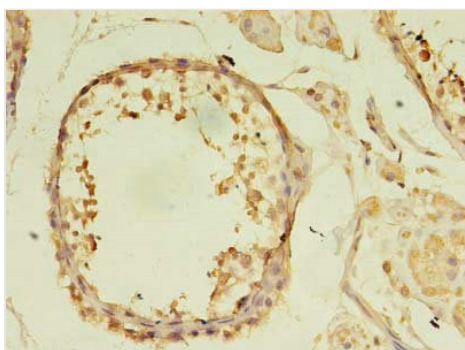

### PRODUCT SYNONYMS

KIAA1257; Polyclonal Antibody; KIAA1257 Antibody; Uncharacterized protein KIAA1257; anti-KIAA1257 antibody

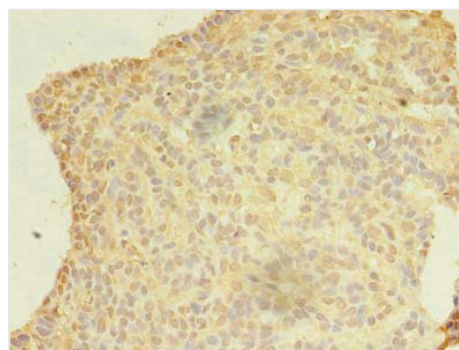

### PRODUCT SPECIFICATIONS

|                                                    |                                                                                                                |
|----------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Host                                               | Rabbit                                                                                                         |
| Reactivity                                         | Human                                                                                                          |
| Clonality                                          | Polyclonal                                                                                                     |
| Isotype                                            | IgG                                                                                                            |
| Purity/Purification                                | >95%, Protein G Purified                                                                                       |
| Sequence Length                                    | 409                                                                                                            |
| Applicable Applications for anti-KIAA1257 antibody | IHC (Immunohistochemistry), ELISA                                                                              |
| Storage Buffer                                     | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                               |
| Conjugate                                          | Non-conjugated                                                                                                 |
| Immunogen                                          | Recombinant human Uncharacterized protein KIAA1257 protein                                                     |
| Santa Cruz Alternative                             | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-243181 / sc-243183                     |
| Preparation and Storage                            | Shipped at 4 degree C. Upon delivery aliquot and store at -20 degree C or -80 degree C. Avoid repeated freeze. |
