

## Mouse Group 10 secretory phospholipase A2, PLA2G10 ELISA Kit | PLA2G10 elisa kit

Mouse Group 10 secretory phospholipase A2, PLA2G10 ELISA Kit

CATALOG #  
**AAA123355**

REACTIVITY  
**Mouse**

### PRODUCT SYNONYMS

Group 10 secretory phospholipase A2; PLA2G10; Mouse Group 10 secretory phospholipase A2; PLA2G10 ELISA Kit; PLA2G10 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                                                 |
| Sequence Length         | 165                                                                                                   |
| Assay Type              | Quantitative Sandwich                                                                                 |
| Samples                 | Serum, plasma, cell culture supernates, cell lysates, tissue homogenates and other biological fluids. |
| Detection Range         | 0.3 ng/mL-90 ng/mL                                                                                    |
| Sensitivity             | 0.151 ng/mL                                                                                           |
| Preparation and Storage | Store at 2 to 8 degree C for 6 months.                                                                |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                   |
|----------------------------------|---------------------------------------------------|
| NCBI GI #                        | 4505845                                           |
| NCBI GeneID                      | 8399                                              |
| NCBI GenBank Nucleotide #        | NP_003552.1                                       |
| UniProt Accession #              | O15496                                            |
| NCBI Official Full Name          | group 10 secretory phospholipase A2 preproprotein |
| NCBI Official Synonym Full Names | phospholipase A2 group X                          |
| NCBI Official Symbol             | PLA2G10                                           |
| NCBI Official Synonym Symbols    | SPLA2; GXPLA2; GXSPLA2; sPLA2-X                   |
| NCBI Protein Information         | group 10 secretory phospholipase A2               |
| UniProt Protein Name             | Group 10 secretory phospholipase A2               |
| UniProt Gene Name                | <b>PLA2G10</b>                                    |
| UniProt Synonym Gene Names       | GX sPLA2; sPLA2-X                                 |
| UniProt Entry Name               | PA2GX_HUMAN                                       |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
