

## Mouse Integrin beta-1, ITGB1 ELISA Kit | ITGB1 elisa kit

Mouse Integrin beta-1, ITGB1 ELISA Kit

CATALOG #  
**AAA123365**

REACTIVITY  
**Mouse**

### PRODUCT SYNONYMS

Integrin beta-1; ITGB1; Mouse Integrin beta-1; ITGB1 ELISA Kit; ITGB1 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                                                 |
| Sequence Length         | 798                                                                                                   |
| Assay Type              | Quantitative Sandwich                                                                                 |
| Samples                 | Serum, plasma, cell culture supernates, cell lysates, tissue homogenates and other biological fluids. |
| Detection Range         | 3 ng/L-900 ng/L                                                                                       |
| Sensitivity             | 1.65 ng/L                                                                                             |
| Preparation and Storage | Store at 2 to 8 degree C for 6 months.                                                                |

### NCBI AND UNIPROT INFORMATION

|                               |                                |
|-------------------------------|--------------------------------|
| NCBI GI #                     | <a href="#">114326428</a>      |
| NCBI GeneID                   | <a href="#">751821</a>         |
| NCBI GenBank Nucleotide #     | <a href="#">NP_001041625.1</a> |
| UniProt Accession #           | <a href="#">P53713</a>         |
| NCBI Official Full Name       | integrin beta-1                |
| NCBI Official Symbol          | ITGB1                          |
| NCBI Official Synonym Symbols | CD29                           |
| NCBI Protein Information      | integrin beta-1                |
| UniProt Protein Name          | Integrin beta-1                |
| UniProt Gene Name             | <b>ITGB1</b>                   |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
