

## Rabbit anti-Mouse, Rat Complement Component 3a (C3a) Polyclonal Antibody | anti-C3a antibody

FITC-Linked Polyclonal Antibody to Complement Component 3a (C3a)

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                                                   |
|-----------|--------|------------|----------------------------------------------------------------|
| AAA146064 | Rabbit | Mouse, Rat | ELISA, Immunohistochemistry, Immunocytochemistry, Western Blot |

### PRODUCT SYNONYMS

Complement Component 3a (C3a); Polyclonal Antibody; FITC-Linked Polyclonal Antibody to Complement Component 3a (C3a); anti-C3a antibody

### PRODUCT SPECIFICATIONS

|                                               |                                                                                 |
|-----------------------------------------------|---------------------------------------------------------------------------------|
| Host                                          | Rabbit                                                                          |
| Reactivity                                    | Mouse, Rat                                                                      |
| Clonality                                     | Polyclonal                                                                      |
| Concentration                                 | 500ug/ml (varies by lot)                                                        |
| Applicable Applications for anti-C3a antibody | ELISA, IHC (Immunohistochemistry), ICC (Immunocytochemistry), WB (Western Blot) |
| Immunogen                                     | C3a (Glu1314~Asn1663)                                                           |
| Conjugation                                   | FITC                                                                            |
| Cross Reactivity                              | Mouse                                                                           |
| Unconjugated Antibody                         | The unconjugated antibody version of this item is also available as             |

### NCBI AND UNIPROT INFORMATION

|                                  |                                        |
