

## Mouse TDP43 ELISA Kit | TDP43 elisa kit

Mouse TDP43 (TAR DNA Binding Protein 43) ELISA Kit

CATALOG #  
**AAA163482**

REACTIVITY  
**Mouse**

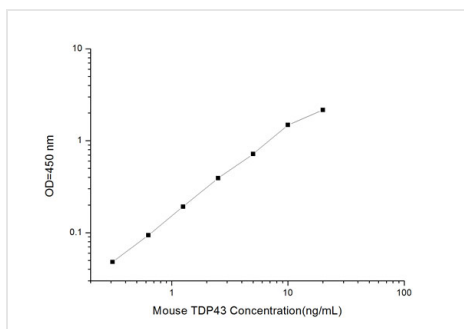

### PRODUCT SYNONYMS

TDP43; Mouse TDP43 (TAR DNA Binding Protein 43) ELISA Kit; TDP43 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                          |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                                                                                                    |
| Specificity             | This kit recognizes natural and recombinant Mouse TDP43. No significant cross-reactivity or interference between Mouse TDP43 and analogues was observed. |
| Sequence Length         | 416                                                                                                                                                      |
| Samples                 | Serum, Plasma, Biological Fluids                                                                                                                         |
| Assay Type              | Sandwich                                                                                                                                                 |
| Detection Range         | 0.313-20ng/mL                                                                                                                                            |
| Sensitivity             | Min: 0.188ng/mL; Max: 20ng/mL                                                                                                                            |
| Preparation and Storage | Store at 4 degree C.                                                                                                                                     |

| Related Product Information for TDP43 elisa kit | <p>Intended Uses: This ELISA kit applies to the invitro quantitative determination of MouseTDP43concentrations in serum, plasma and other biological fluids.</p> <p>Principle of the Assay: This ELISA kit uses Sandwich-ELISA as the method. The micro ELISA plate provided in this kit has been pre-coated with an antibody specific to TDP43. Standards or samples are added to the appropriate micro ELISA plate wells and combined with the specific antibody. Then a biotinylated detection antibody specific for TDP43and Avidin-Horseradish Peroxidase (HRP) conjugate is added to each micro plate well successively and incubated. Free components are washed away. The substrate solution is added to each well. Only those wells that contain TDP43, biotinylated detection antibody and Avidin-HRP conjugate will appear blue in color. The enzyme-substrate reaction is terminated by the addition of a sulphuric acid solution and the color turns yellow. The optical density (OD) is measured spectrophotometrically at a wavelength of 450 nm +/- 2 nm. The OD value is proportional to the concentration of TDP43.You can calculate the concentration of TDP43in the samples by comparing the OD of the samples to the standard curve.</p> |

| NCBI Official Full Name    | TDP43                      |
| UniProt Protein Name       | TAR DNA-binding protein 43 |
| UniProt Gene Name          | TARDBP                     |
| UniProt Synonym Gene Names | TDP43; TDP-43              |
| UniProt Entry Name         | TADBP_HUMAN                |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
