

## Rabbit anti-Human Cytokeratin 19 Polyclonal Antibody | anti-KRT19 antibody

Cytokeratin 19 Polyclonal Antibody

|                               |                       |                            |                                            |
|-------------------------------|-----------------------|----------------------------|--------------------------------------------|
| CATALOG #<br><b>AAA171667</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>ELISA, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------|--------------------------------------------|

### PRODUCT SYNONYMS

Cytokeratin 19; Polyclonal Antibody; Cytokeratin 19 Polyclonal Antibody; KRT19; Keratin; type I cytoskeletal 19; Cytokeratin-19; CK-19; Keratin-19; K19; anti-KRT19 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                 |
|-------------------------------------------------|---------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                          |
| Reactivity                                      | Human                                                                           |
| Clonality                                       | Polyclonal                                                                      |
| Isotype                                         | IgG                                                                             |
| Purity/Purification                             | Antigen Affinity Purified                                                       |
| Concentration                                   | 1 mg/ml (varies by lot)                                                         |
| Sequence Length                                 | 9                                                                               |
| Applicable Applications for anti-KRT19 antibody | ELISA, WB (Western Blot)                                                        |
| Immunogen                                       | Synthesized peptide derived from the C-terminal region of human Cytokeratin 19. |
| Buffer                                          | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.1381% sodium azide.       |
| Preparation and Storage                         | Store at -20 degree C. Avoid freeze / thaw cycles.                              |

#### IHC (Immunohistochemistry)

Immunohistochemistry of paraffin-embedded Human lymph gland tissue using Cytokeratin 19 Polyclonal Antibody at dilution of 1:100.

#### IHC (Immunohistochemistry)

Immunohistochemistry of paraffin-embedded Human lymph gland tissue using Cytokeratin 19 Polyclonal Antibody at dilution of 1:100.

#### WB (Western Blot)

Western Blot analysis of A549 cells using Cytokeratin 19 Polyclonal Antibody at dilution of 1:20000.

## NCBI AND UNIPROT INFORMATION

|                            |                                 |
|----------------------------|---------------------------------|
| NCBI GI #                  | <a href="#">13537138</a>        |
| Molecular Weight           | Observed MW: 44                 |
| NCBI Official Full Name    | cytokeratin 19, partial         |
| UniProt Protein Name       | Keratin, type I cytoskeletal 19 |
| UniProt Gene Name          | <b>KRT19</b>                    |
| UniProt Synonym Gene Names | CK-19; K19                      |
| UniProt Entry Name         | K1C19_HUMAN                     |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
