

## Rabbit anti-Human CD225 Polyclonal Antibody | anti-CD225 antibody

CD225 Polyclonal Antibody

|                               |                       |                            |                                            |
|-------------------------------|-----------------------|----------------------------|--------------------------------------------|
| CATALOG #<br><b>AAA171810</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>ELISA, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------|--------------------------------------------|

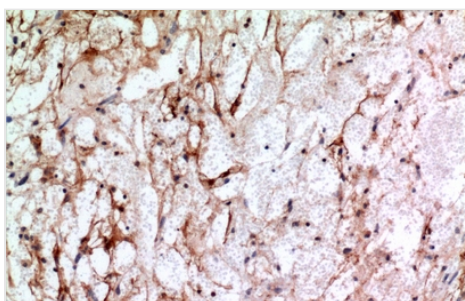

### PRODUCT SYNONYMS

CD225; Polyclonal Antibody; CD225 Polyclonal Antibody; IFITM1; IFI17; Interferon-induced transmembrane protein 1; Dispanin subfamily A member 2a; DSPA2a; Interferon-induced protein 17; Interferon-inducible protein 9-27; Leu-13 antigen; anti-CD225 antibody

### PRODUCT SPECIFICATIONS

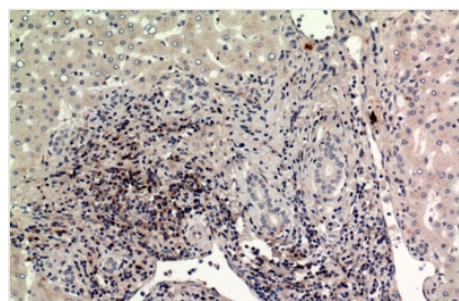

|                                                 |                                                                           |
|-------------------------------------------------|---------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                    |
| Reactivity                                      | Human                                                                     |
| Clonality                                       | Polyclonal                                                                |
| Isotype                                         | IgG                                                                       |
| Purity/Purification                             | Antigen Affinity Purified                                                 |
| Concentration                                   | 1 mg/ml (varies by lot)                                                   |
| Applicable Applications for anti-CD225 antibody | ELISA, WB (Western Blot)                                                  |
| Immunogen                                       | Synthesized peptide derived from the N-terminal region of human CD225.    |
| Buffer                                          | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.1510% sodium azide. |
| Preparation and Storage                         | Store at -20 degree C. Avoid freeze / thaw cycles.                        |

### IMAGES

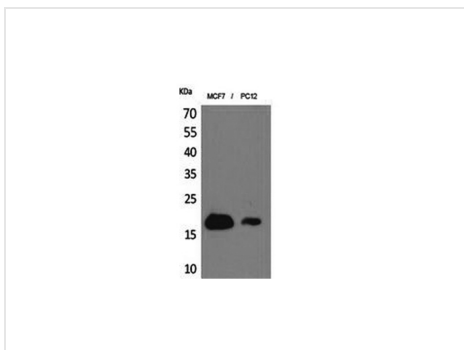

#### IHC (Immunohistochemisry)

Immunohistochemistry of paraffin-embedded Human brain tissue using CD225 Polyclonal Antibody at dilution of 1:100.

#### IHC (Immunohiostchemistry)

Immunohistochemistry of paraffin-embedded Human liver tissue using CD225 Polyclonal Antibody at dilution of 1:100.

#### WB (Western Blot)

Western Blot analysis of MCF7, PC-12 cells with CD225 Polyclonal Antibody.

## ADDITIONAL INFORMATION

Product Categories/Family for anti-CD225 antibody

Stem cells; Epigenetics

## NCBI AND UNIPROT INFORMATION

|                         |                                                   |
|-------------------------|---------------------------------------------------|
| NCBI GI #               | 483512981                                         |
| UniProt Accession #     | B3RFG9                                            |
| Molecular Weight        | Calculated MW: 14<br>Observed MW: 15              |
| NCBI Official Full Name | CD225 family protein FLJ76511, partial            |
| UniProt Protein Name    | Putative uncharacterized protein SH_m011_jsmFEF8r |
| UniProt Gene Name       | SH_m011_jsmFEF8r                                  |
| UniProt Entry Name      | B3RFG9_SORAR                                      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
