

## Rabbit NFkappaB-p65 Polyclonal Antibody | anti-NFkappaB-p65 antibody

NFkappaB-p65 Polyclonal Antibody

|                               |                       |                                        |                                            |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------|
| CATALOG #<br><b>AAA171954</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse, Rat</b> | APPLICATIONS<br><b>ELISA, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------|

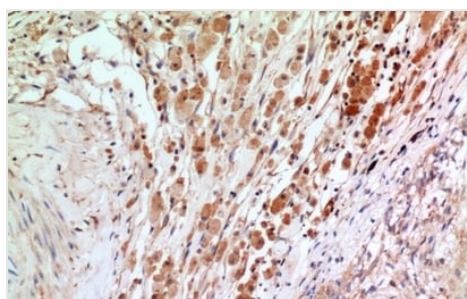

### PRODUCT SYNONYMS

NFkappaB-p65; Polyclonal Antibody; NFkappaB-p65 Polyclonal Antibody; RELA; NFKB3; Transcription factor p65; Nuclear factor NF-kappa-B p65 subunit; Nuclear factor of kappa light polypeptide gene enhancer in B-cells 3; anti-NFkappaB-p65 antibody

### PRODUCT SPECIFICATIONS

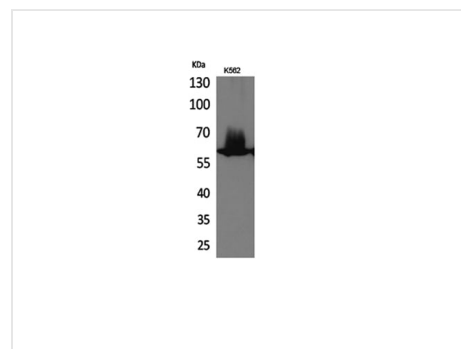

|                                                        |                                                                                              |
|--------------------------------------------------------|----------------------------------------------------------------------------------------------|
| Host                                                   | Rabbit                                                                                       |
| Reactivity                                             | Human, Mouse, Rat                                                                            |
| Clonality                                              | Polyclonal                                                                                   |
| Isotype                                                | IgG                                                                                          |
| Purity/Purification                                    | Antigen Affinity Purified                                                                    |
| Concentration                                          | 1 mg/ml (varies by lot)                                                                      |
| Sequence Length                                        | 549                                                                                          |
| Applicable Applications for anti-NFkappaB-p65 antibody | ELISA, WB (Western Blot)                                                                     |
| Immunogen                                              | Synthesized peptide derived from human NFkappaB-p65 around the non-acetylation site of K122. |
| Buffer                                                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                      |
| Preparation and Storage                                | Store at -20 degree C. Avoid freeze / thaw cycles.                                           |

### IMAGES

#### IHC (Immunohistochemistry)

Immunohistochemistry of paraffin-embedded Human brain tissue using NF?B-p65 Polyclonal Antibody at dilution of 1:100.

#### WB (Western Blot)

Western Blot analysis of K562 cells with NF?B-p65 Polyclonal Antibody.

### ADDITIONAL INFORMATION

|                                                          |                                   |
