

## Mouse Hematopoietic progenitor cell antigen CD34 ELISA Kit | Cd34 elisa kit

Mouse Hematopoietic progenitor cell antigen CD34 ELISA Kit

CATALOG #  
**AAA191477**

REACTIVITY  
**Mouse**

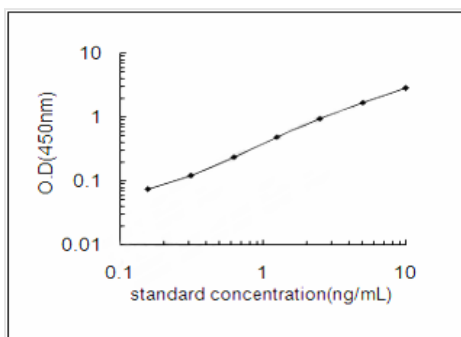

### PRODUCT SYNONYMS

Hematopoietic progenitor cell antigen CD34; Mouse Hematopoietic progenitor cell antigen CD34 ELISA Kit; Cd34; CD34; Cd34 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Mouse                                                               |
| Sequence Length         | 382                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.156-10 ng/mL                                                      |
| Sensitivity             | 0.088 ng/mL                                                         |
| Intra-Assay CV          | <=7.0%                                                              |
| Inter-Assay CV          | <=9.2%                                                              |
| Recovery                | 94%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                                                                          |
|---------------------------|--------------------------------------------------------------------------|
| NCBI GI #                 | <a href="#">19526792</a>                                                 |
| NCBI GeneID               | <a href="#">12490</a>                                                    |
| NCBI Accession #          | <a href="#">NP_598415.1</a>                                              |
| NCBI GenBank Nucleotide # | <a href="#">NM_133654.3</a>                                              |
| UniProt Accession #       | <a href="#">Q64314</a> ; <a href="#">Q62550</a> ; <a href="#">Q62551</a> |
| Molecular Weight          | 35,263 Da                                                                |

|                                  |                                                      |
|----------------------------------|------------------------------------------------------|
| NCBI Official Full Name          | hematopoietic progenitor cell antigen CD34 isoform 2 |
| NCBI Official Synonym Full Names | CD34 antigen                                         |
| NCBI Official Symbol             | Cd34                                                 |
| NCBI Official Synonym Symbols    | AU040960                                             |
| NCBI Protein Information         | hematopoietic progenitor cell antigen CD34           |
| UniProt Protein Name             | Hematopoietic progenitor cell antigen CD34           |
| UniProt Gene Name                | <b>Cd34</b>                                          |
| UniProt Entry Name               | CD34_MOUSE                                           |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
