

## Human Myeloid cell surface antigen CD33 ELISA Kit | CD33 elisa kit

Human Myeloid cell surface antigen CD33 ELISA Kit

CATALOG #  
**AAA196294**

REACTIVITY  
**Human**

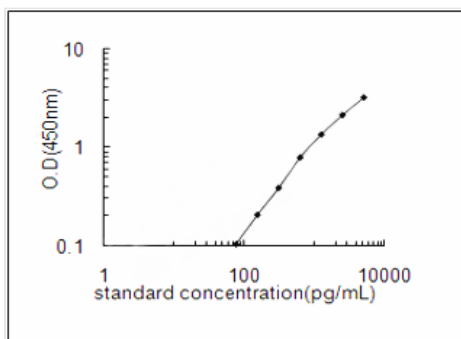

### PRODUCT SYNONYMS

Myeloid cell surface antigen CD33; Human Myeloid cell surface antigen CD33 ELISA Kit; Sialic acid-binding Ig-like lectin 3; Siglec-3; gp67; CD33; SIGLEC3; CD33 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Human                                                               |
| Sequence Length         | 310                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 78-5000 pg/mL                                                       |
| Sensitivity             | 39.6 pg/mL                                                          |
| Intra-Assay CV          | <=6.5%                                                              |
| Inter-Assay CV          | <=11.2%                                                             |
| Recovery                | 101%                                                                |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                                             |
|---------------------------|---------------------------------------------|
| NCBI GI #                 | 294862302                                   |
| NCBI GeneID               | 945                                         |
| NCBI Accession #          | NP_001171079.1                              |
| NCBI GenBank Nucleotide # | NM_001177608.1                              |
| Molecular Weight          | 25,293 Da                                   |
| NCBI Official Full Name   | myeloid cell surface antigen CD33 isoform 3 |

|                                  |                                   |
|----------------------------------|-----------------------------------|
| NCBI Official Synonym Full Names | CD33 molecule                     |
| NCBI Official Symbol             | CD33                              |
| NCBI Official Synonym Symbols    | p67; SIGLEC3; SIGLEC-3            |
| NCBI Protein Information         | myeloid cell surface antigen CD33 |
| UniProt Protein Name             | Myeloid cell surface antigen CD33 |
| UniProt Gene Name                | <b>CD33</b>                       |
| UniProt Synonym Gene Names       | SIGLEC3; Siglec-3                 |
| UniProt Entry Name               | CD33_HUMAN                        |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
