

## Human MFAP2 / Microfibrillar-associated protein 2 ELISA Kit | MFAP2 elisa kit

Human MFAP2 / Microfibrillar-associated protein 2 ELISA Kit

CATALOG #  
**AAA197002**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

MFAP2 / Microfibrillar-associated protein 2; Human MFAP2 / Microfibrillar-associated protein 2 ELISA Kit; MFAP-2; Microfibril-associated glycoprotein 1; MAGP; MAGP1; MFAP2 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Human                                                               |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.78-50ng/mL                                                        |
| Sensitivity             | 0.365ng/mL                                                          |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                                            |
|----------------------------------|----------------------------------------------------------------------------|
| NCBI GI #                        | 207028905                                                                  |
| NCBI GeneID                      | 4237                                                                       |
| NCBI Accession #                 | NP_001128719.1                                                             |
| NCBI GenBank Nucleotide #        | NM_001135247.1                                                             |
| UniProt Accession #              | P55001; Q53X60; Q5JXY0                                                     |
| Molecular Weight                 | 17,444 Da                                                                  |
| NCBI Official Full Name          | microfibrillar-associated protein 2 isoform b                              |
| NCBI Official Synonym Full Names | microfibrillar-associated protein 2                                        |
| NCBI Official Symbol             | MFAP2                                                                      |
| NCBI Official Synonym Symbols    | MAGP; MAGP1; MAGP-1                                                        |
| NCBI Protein Information         | microfibrillar-associated protein 2; microfibril-associated glycoprotein 1 |
| UniProt Protein Name             | Microfibrillar-associated protein 2                                        |
| UniProt Gene Name                | <b>MFAP2</b>                                                               |
| UniProt Synonym Gene Names       | MAGP1; MFAP-2; MAGP; MAGP-1                                                |
| UniProt Entry Name               | MFAP2_HUMAN                                                                |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
