

## Human Thymic Stromal Lymphopoietin (TSLP) ELISA Kit | TSLP elisa kit

Human Thymic Stromal Lymphopoietin (TSLP) ELISA Kit

CATALOG #  
**AAA205483**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

Thymic Stromal Lymphopoietin (TSLP); Human Thymic Stromal Lymphopoietin (TSLP) ELISA Kit; TSLP elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Human                                                             |
| Sequence Length | 140                                                               |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 62.5 pg/ml-1000 pg/ml                                             |
| Sensitivity     | 1 pg/ml                                                           |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for TSLP elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of TSLP in the sample, This TSLP ELISA Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus TSLP concentration. The concentration of TSLP in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|                  |             |
|------------------|-------------|
| NCBI GI #        | 10946698    |
| NCBI GeneID      | 53603       |
| NCBI Accession # | NP_067342.1 |

|                                  |                              |
|----------------------------------|------------------------------|
| NCBI GenBank Nucleotide #        | <a href="#">NP_067342.1</a>  |
| UniProt Accession #              | <a href="#">Q9JIE6</a>       |
| NCBI Official Full Name          | thymic stromal lymphopoietin |
| NCBI Official Synonym Full Names | thymic stromal lymphopoietin |
| NCBI Official Symbol             | Tslp                         |
| NCBI Protein Information         | thymic stromal lymphopoietin |
| UniProt Protein Name             | Thymic stromal lymphopoietin |
| UniProt Gene Name                | <b>Tslp</b>                  |
| UniProt Entry Name               | TSLP_MOUSE                   |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
