

## Rabbit anti-Human, Mouse TEL2 Polyclonal Antibody | anti-TEL2 antibody

Rabbit anti-TEL2 Antibody

| CATALOG # | HOST   | REACTIVITY   | APPLICATIONS                       |
|-----------|--------|--------------|------------------------------------|
| AAA220738 | Rabbit | Human, Mouse | Immunohistochemistry, Western Blot |

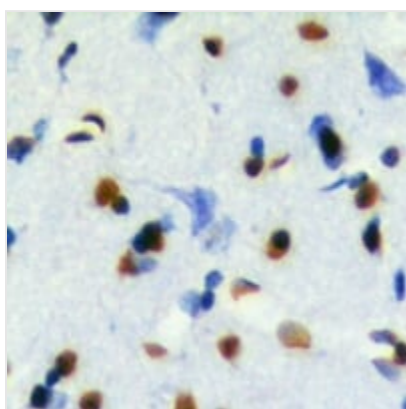

### PRODUCT SYNONYMS

TEL2; Polyclonal Antibody; Rabbit anti-TEL2 Antibody; TELB; TREF; Transcription factor ETV7; ETS translocation variant 7; ETS-related protein Tel2; Tel-related Ets factor; Transcription factor Tel-2; anti-TEL2 antibody

### PRODUCT SPECIFICATIONS

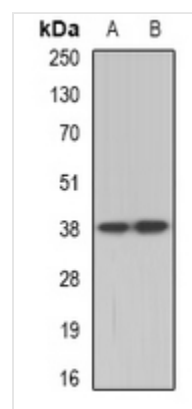

|                                                |                                                                                                           |
|------------------------------------------------|-----------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                    |
| Reactivity                                     | Human, Mouse                                                                                              |
| Clonality                                      | Polyclonal                                                                                                |
| Purity/Purification                            | The antibody was purified by immunogen affinity chromatography.                                           |
| Form/Format                                    | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide. |
| Concentration                                  | 1mg/mL (varies by lot)                                                                                    |
| Applicable Applications for anti-TEL2 antibody | IHC (Immunohistochemistry), WB (Western Blot)                                                             |
| Immunogen                                      | Recombinant full length protein of human TEL2                                                             |
| Preparation and Storage                        | Store at -20 degree C. Avoid repeated freeze/thaw cycles.                                                 |

### IMAGES

#### IHC (Immunohistochemistry)

Immunohistochemical analysis of TEL2 staining in mouse brain formalin fixed paraffin embedded tissue section. The section was pre-treated using heat mediated antigen retrieval with sodium citrate buffer (pH 6.0). The section was then incubated with the antibody at room temperature and detected using an HRP conjugated compact polymer system. DAB was used as the chromogen. The section was then counterstained with haematoxylin and mounted with DPX.

#### WB (Western Blot)

Western blot analysis of TEL2 expression in A431 (A), HeLa (B) whole cell lysates.
