

## IgG2 protein Immunoglobulin | IgG2 immunoglobulin

Purified native Human IgG2 protein

CATALOG #  
AAA224699

### PRODUCT SYNONYMS

IgG2 protein; Purified native Human IgG2 protein; Human IgG2 Whole Molecule; Immunoglobulin G2 Protein; Human IgG2 protein; IgG2 immunoglobulin

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Purity/Purification     | > 95% pure by SDS-PAGE                                                                                |
| Form/Format             | Liquid in 20mM Sodium Phosphate buffer, pH7.4 with 150mM NaCl and 0.05% Sodium Azide as preservative. |
| Concentration           | 2.66 mg/mL (varies by lot)                                                                            |
| Protein Type            | Native                                                                                                |
| Source Note             | Normal Human Plasma                                                                                   |
| Note                    | To ensure complete recovery of the product, centrifuge the vial prior to opening.                     |
| Dry Ice Note            | The product may be shipped with dry ice, and an additional fee may be added to your shipping cost.    |
| Preparation and Storage | Ships on Dry Ice.<br>Store at -20°C. Avoid repeated freeze-thaw cycles.                               |

### ADDITIONAL INFORMATION

|                                                   |                                              |
|---------------------------------------------------|----------------------------------------------|
| Product Categories/Family for IgG2 immunoglobulin | Immunology; Purified Immunoglobulins; Native |
|---------------------------------------------------|----------------------------------------------|

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
