

## Rabbit PPP1CB Polyclonal Antibody | anti-PPP1CB antibody

PPP1CB Antibody

|                               |                       |                                                                  |
|-------------------------------|-----------------------|------------------------------------------------------------------|
| CATALOG #<br><b>AAA225856</b> | HOST<br><b>Rabbit</b> | APPLICATIONS<br><b>Immunohistochemistry, Western Blot, ELISA</b> |
|-------------------------------|-----------------------|------------------------------------------------------------------|

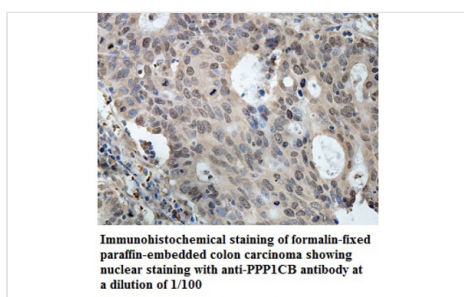

### PRODUCT SYNONYMS

PPP1CB; Polyclonal Antibody; PPP1CB Antibody; Purified Rabbit Polyclonal PPP1CB Antibody; Polyclonal PPP1CB antibody; Anti-PPP1CB antibody; MGC3672 antibody; PP-1B antibody; PP1B antibody; PP1beta antibody; PPP1CB antibody; PPP1CD antibody; protein phosphatase 1 antibody; catalytic subunit antibody; beta isoform antibody; beta isozyme antibody; delta isoform antibody; protein phosphatase 1-beta antibody; protein phosphatase 1-delta antibody; serine/threonine protein phosphatase PP1-beta catalytic subunit antibody; Serine/threonine-protein phosphatase PP1-beta catalytic subunit antibody; anti-PPP1CB antibody

### PRODUCT SPECIFICATIONS

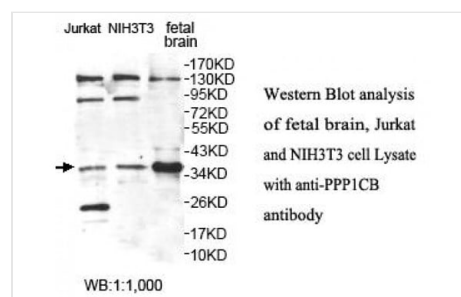

|                                                  |                                                                                           |
|--------------------------------------------------|-------------------------------------------------------------------------------------------|
| Host                                             | Rabbit                                                                                    |
| Clonality                                        | Polyclonal                                                                                |
| Isotype                                          | IgG                                                                                       |
| Form/Format                                      | Supplied in lyophilized form containing 1% BSA and 0.02% NaN <sub>3</sub>                 |
| Sequence Length                                  | 327                                                                                       |
| Applicable Applications for anti-PPP1CB antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                      |
| Immunogen                                        | PPP1CB antibody was raised in Rabbit using recombinant human PPP1CB as the immunogen      |
| Preparation and Storage                          | Store at 4 degree C for short term storage. For long term storage, store at -20 degree C. |

### IMAGES

#### IHC (Immunohistochemistry)

Immunohistochemical staining of formalin-fixed paraffin-embedded colon carcinoma showing nuclear staining with anti-PPP1CB antibody at a dilution of 1/100

#### WB (Western Blot)

Western Blot analysis of fetal brain, Jurkat and NIH3T3 cell Lysate with anti-PPP1CB antibody

### ADDITIONAL INFORMATION

|                                                      |                                                                                                                    |
|------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| Related Product Information for anti-PPP1CB antibody | PPP1CB is a catalytic subunit of protein phosphatase 1 (PP1), a ubiquitous cytosolic serine-threonine phosphatase. |
| Product Categories/Family for anti-PPP1CB antibody   | Proteases; Inhibitors; & Enzymes                                                                                   |

NCBI AND UNIPROT INFORMATION

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| NCBI GI #                        | 49457562                                                        |
| NCBI GeneID                      | 5500                                                            |
| NCBI Official Full Name          | PPP1CB, partial                                                 |
| NCBI Official Synonym Full Names | protein phosphatase 1 catalytic subunit beta                    |
| NCBI Official Symbol             | PPP1CB                                                          |
| NCBI Official Synonym Symbols    | PP1B; NSLH2; PP-1B; PPP1CD; PP1beta; HEL-S-80p                  |
| NCBI Protein Information         | serine/threonine-protein phosphatase PP1-beta catalytic subunit |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
