

## Scalusamide A Biochemical

Scalusamide A

CATALOG #  
**AAA226521**

### PRODUCT SYNONYMS

Scalusamide A; Scalusamide A biochemical

### PRODUCT SPECIFICATIONS

|                         |                                                                          |
|-------------------------|--------------------------------------------------------------------------|
| Purity/Purification     | 98%                                                                      |
| Solubility              | <1mg/ml refers to the product slightly soluble or insoluble              |
| Preparation and Storage | Powder: -20 degree C for 3 years<br>In solvent: -80 degree C for 2 years |

### IMAGES

Structure

Tucatinib hemiethanolate, CAS 1429755-56-5

Structure

Tucatinib hemiethanolate, CAS 1429755-56-5
