

## 7-hydroxy Methotrexate (sodium salt) Biochemical

7-hydroxy Methotrexate (sodium salt)

CATALOG #  
**AAA227273**

### PRODUCT SYNONYMS

7-hydroxy Methotrexate (sodium salt); 7-hydroxy Methotrexate (sodium salt) biochemical

### PRODUCT SPECIFICATIONS

|                         |                                                                                              |
|-------------------------|----------------------------------------------------------------------------------------------|
| Purity/Purification     | 98%                                                                                          |
| Solubility              | DMSO: 3mg/mL<br>DMF: 14 mg/mL<br><1mg/ml refers to the product slightly soluble or insoluble |
| Preparation and Storage | Powder: -20 degree C for 3 years<br>In solvent: -80 degree C for 2 years                     |
