

## GPP 78 hydrochloride Biochemical | GPP78 biochemical

GPP 78 hydrochloride

CATALOG #  
**AAA227311**

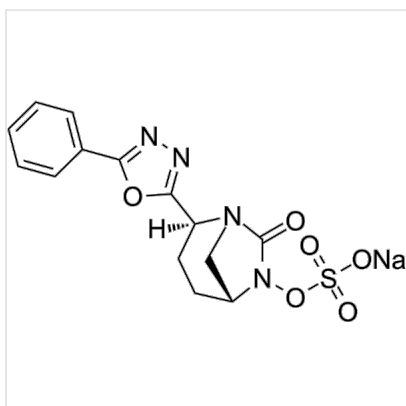

### PRODUCT SYNONYMS

GPP 78 hydrochloride; GPP78 biochemical

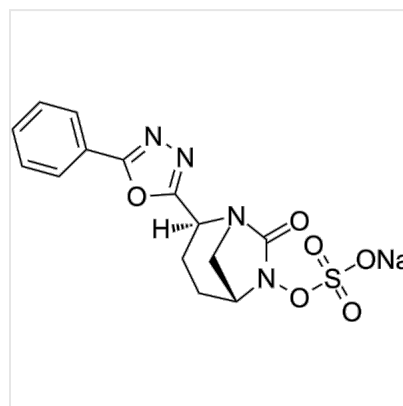

### PRODUCT SPECIFICATIONS

|                         |                                                             |
|-------------------------|-------------------------------------------------------------|
| Purity/Purification     | 98%                                                         |
| Solubility              | H <sub>2</sub> O: <47.6 mg/mL                               |
|                         | DMSO: <47.6 mg/mL                                           |
|                         | <1mg/ml refers to the product slightly soluble or insoluble |
| Preparation and Storage | Powder: -20 degree C for 3 years                            |
|                         | In solvent: -80 degree C for 2 years                        |

### IMAGES

Structure  
Antibacterial agent 44, CAS 1426572-49-7
