

## Rabbit anti-Human ZNF366 Polyclonal Antibody | anti-ZNF366 antibody

ZNF366 Antibody

|                               |                       |                            |                                                    |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA229399</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|

### PRODUCT SYNONYMS

ZNF366; Polyclonal Antibody; ZNF366 Antibody; Zinc finger protein 366; anti-ZNF366 antibody

### PRODUCT SPECIFICATIONS

|                                                  |                                                                                            |
|--------------------------------------------------|--------------------------------------------------------------------------------------------|
| Host                                             | Rabbit                                                                                     |
| Reactivity                                       | Human                                                                                      |
| Clonality                                        | Polyclonal                                                                                 |
| Isotype                                          | IgG                                                                                        |
| Purity/Purification                              | >95%,Protein G purified                                                                    |
| Form/Format                                      | Liquid                                                                                     |
| Sequence Length                                  | 744                                                                                        |
| Applicable Applications for anti-ZNF366 antibody | IHC (Immunohistochemistry), ELISA                                                          |
| Immunogen                                        | Recombinant human Zinc finger protein 366 protein                                          |
| Conjugation                                      | Non-conjugated                                                                             |
| Storage Buffer                                   | Preservative: 0.03% Proclin 300 Constituents: 50% Glycerol, 0.01M PBS, PH 7.4              |
| Santa Cruz Alternative                           | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-249873 / sc-249874 |
| Preparation and Storage                          | Shipped at 4 degree C. Upon delivery, aliquot and store at -20 degree C or -80 degree C.   |

### IMAGES

#### IHC (Immunohistochemisry)

Immunofluorescent analysis of A549 cells using AAA229399 at a dilution of 1:100 and Alexa Fluor 488-conjugated AffiniPure Goat Anti-Rabbit IgG(H+L

#### IHC (Immunohiostchemistry)

Immunohistochemistry of paraffin-embedded human placenta tissue using AAA229399 at dilution of 1:100

#### IHC (Immunohistochemistry)

Immunohistochemistry of paraffin-embedded human kidney tissue using AAA229399 at dilution of 1:100

### ADDITIONAL INFORMATION

|                                                      |                                                                                                                                     |
|------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Related Product Information for anti-ZNF366 antibody | Has transcriptional repression activity. Acts as corepressor of ESR1; the function seems to involve CTBP1 and histone deacetylases. |
|------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|

### NCBI AND UNIPROT INFORMATION
