

## Rabbit anti-Human GRAMD1B Polyclonal Antibody | anti-GRAMD1B antibody

GRAMD1B Antibody

|                               |                       |                            |                                                                        |
|-------------------------------|-----------------------|----------------------------|------------------------------------------------------------------------|
| CATALOG #<br><b>AAA229444</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunofluorescence, Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|----------------------------|------------------------------------------------------------------------|

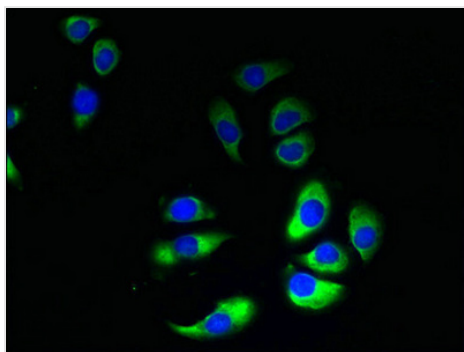

### PRODUCT SYNONYMS

GRAMD1B; Polyclonal Antibody; GRAMD1B Antibody; GRAM domain-containing protein 1B; KIAA1201; UNQ3032/PRO9834; anti-GRAMD1B antibody

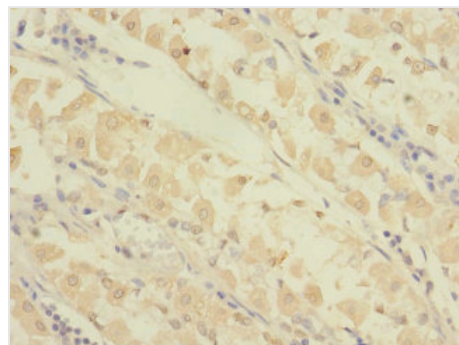

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                          |
|---------------------------------------------------|------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                   |
| Reactivity                                        | Human                                                                                    |
| Clonality                                         | Polyclonal                                                                               |
| Isotype                                           | IgG                                                                                      |
| Purity/Purification                               | >95%,Protein G purified                                                                  |
| Form/Format                                       | Liquid                                                                                   |
| Sequence Length                                   | 745                                                                                      |
| Applicable Applications for anti-GRAMD1B antibody | IF (Immunofluorescence), IHC (Immunohistochemistry), ELISA                               |
| Immunogen                                         | Recombinant human GRAM domain-containing protein 1B protein                              |
| Conjugation                                       | Non-conjugated                                                                           |
| Storage Buffer                                    | Preservative: 0.03% Proclin 300 Constituents: 50% Glycerol, 0.01M PBS, PH 7.4            |
| Preparation and Storage                           | Shipped at 4 degree C. Upon delivery, aliquot and store at -20 degree C or -80 degree C. |

### IMAGES

**IF (Immunofluorescence)**

Immunofluorescent analysis of A549 cells using AAA229444 at a dilution of 1:100 and Alexa Fluor 488-conjugated AffiniPure Goat Anti-Rabbit IgG(H+L)

**IHC (Immunohistochemistry)**

Immunohistochemistry of paraffin-embedded human gastric cancer AAA229444 at dilution 1:100
