

## Rabbit anti-Human FAM102B Polyclonal Antibody | anti-FAM102B antibody

FAM102B Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                                    |
|-----------|--------|------------|-------------------------------------------------|
| AAA230387 | Rabbit | Human      | Immunofluorescence, Immunohistochemistry, ELISA |

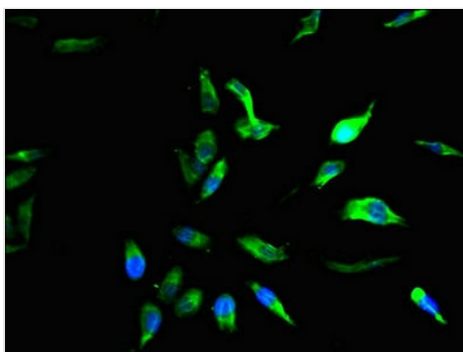

### PRODUCT SYNONYMS

FAM102B; Polyclonal Antibody; FAM102B Antibody; Protein FAM102B; anti-FAM102B antibody

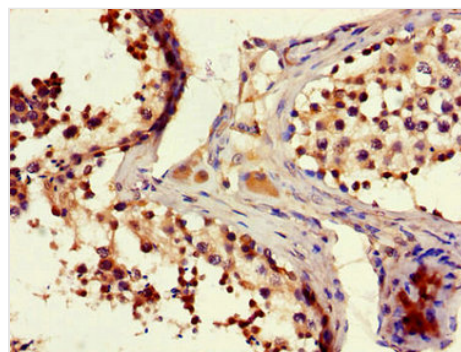

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                            |
|---------------------------------------------------|--------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                     |
| Reactivity                                        | Human                                                                                      |
| Clonality                                         | Polyclonal                                                                                 |
| Isotype                                           | IgG                                                                                        |
| Purity/Purification                               | >95%,Protein G purified                                                                    |
| Form/Format                                       | Liquid                                                                                     |
| Sequence Length                                   | 360                                                                                        |
| Applicable Applications for anti-FAM102B antibody | IF (Immunofluorescence), IHC (Immunohistochemistry), ELISA                                 |
| Immunogen                                         | Recombinant human Protein FAM102B protein                                                  |
| Conjugation                                       | Non-conjugated                                                                             |
| Storage Buffer                                    | Preservative: 0.03% Proclin 300 Constituents: 50% Glycerol, 0.01M PBS, PH 7.4              |
| Santa Cruz Alternative                            | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-246542 / sc-246543 |
| Preparation and Storage                           | Shipped at 4 degree C. Upon delivery, aliquot and store at -20 degree C or -80 degree C.   |

### IMAGES

**IF (Immunofluorescence)**

Immunofluorescent analysis of Hela cells using AAA230387 at a dilution of 1:100 and Alexa Fluor 488-conjugated AffiniPure Goat Anti-Rabbit IgG(H+L)

**IHC (Immunohistochemistry)**

Immunohistochemistry of paraffin-embedded human testicular tissue using AAA230387 at dilution of 1:100
