

## Rabbit anti-Human CCDC14 Polyclonal Antibody | anti-CCDC14 antibody

CCDC14 Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                              |
|-----------|--------|------------|-------------------------------------------|
| AAA230522 | Rabbit | Human      | Immunohistochemistry, Western Blot, ELISA |

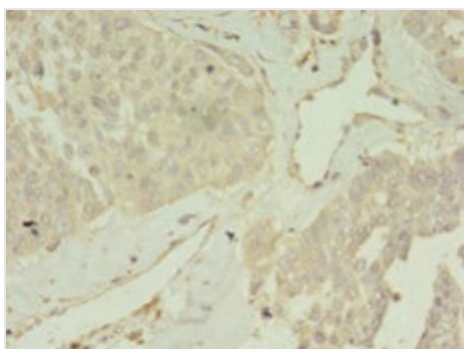

### PRODUCT SYNONYMS

CCDC14; Polyclonal Antibody; CCDC14 Antibody; Coiled-coil domain-containing protein 14; anti-CCDC14 antibody

### PRODUCT SPECIFICATIONS

|                                                  |                                                                                          |
|--------------------------------------------------|------------------------------------------------------------------------------------------|
| Host                                             | Rabbit                                                                                   |
| Reactivity                                       | Human                                                                                    |
| Clonality                                        | Polyclonal                                                                               |
| Isotype                                          | IgG                                                                                      |
| Purity/Purification                              | Caprylic Acid Ammonium Sulfate Precipitation purified                                    |
| Form/Format                                      | Liquid                                                                                   |
| Sequence Length                                  | 753                                                                                      |
| Applicable Applications for anti-CCDC14 antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                     |
| Immunogen                                        | Recombinant human Coiled-coil domain-containing protein 14 protein                       |
| Conjugation                                      | Non-conjugated                                                                           |
| Storage Buffer                                   | Preservative: 0.03% Proclin 300; Constituents: 50% Glycerol, 0.01M PBS, PH 7.4           |
| Preparation and Storage                          | Shipped at 4 degree C. Upon delivery, aliquot and store at -20 degree C or -80 degree C. |
