

## Rabbit anti-Human WDR47 Polyclonal Antibody | anti-WDR47 antibody

WDR47 Antibody

|                               |                       |                            |                                                    |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA231932</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|----------------------------|----------------------------------------------------|

### PRODUCT SYNONYMS

WDR47; Polyclonal Antibody; WDR47 Antibody; WD repeat-containing protein 47; Neuronal enriched MAP-interacting protein; Nemitin; KIAA0893; anti-WDR47 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                                                |
|-------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                         |
| Reactivity                                      | Human                                                                                                          |
| Clonality                                       | Polyclonal                                                                                                     |
| Isotype                                         | IgG                                                                                                            |
| Purity/Purification                             | Antigen Affinity Purified                                                                                      |
| Form/Format                                     | Liquid                                                                                                         |
| Sequence Length                                 | 927                                                                                                            |
| Applicable Applications for anti-WDR47 antibody | IHC (Immunohistochemistry), ELISA                                                                              |
| Species                                         | Human                                                                                                          |
| Immunogen                                       | Recombinant human WD repeat-containing protein 47 protein (350-600AA)                                          |
| Conjugate                                       | Non-conjugated                                                                                                 |
| Buffer                                          | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                              |
| Preparation and Storage                         | Shipped at 4 degree C. Upon delivery aliquot and store at -20 degree C or -80 degree C. Avoid repeated freeze. |
