

## Rabbit SRC Polyclonal Antibody | anti-SRC antibody

SRC Antibody

| CATALOG # | HOST   | REACTIVITY        | APPLICATIONS                              |
|-----------|--------|-------------------|-------------------------------------------|
| AAA237838 | Rabbit | Human, Mouse, Rat | Immunohistochemistry, Western Blot, ELISA |

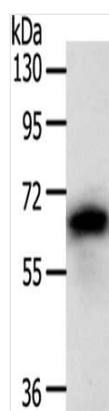

### PRODUCT SYNONYMS

SRC; Polyclonal Antibody; SRC Antibody; SRC proto-oncogene; non-receptor Tyrosine kinase; anti-SRC antibody

### PRODUCT SPECIFICATIONS

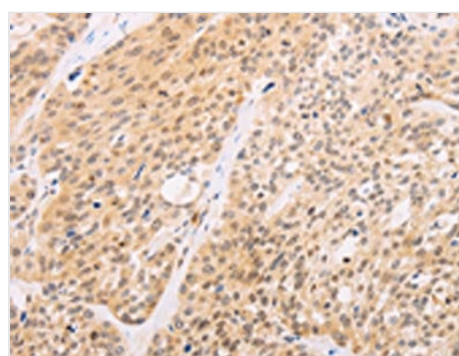

|                                               |                                                                                         |
|-----------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                          | Rabbit                                                                                  |
| Reactivity                                    | Human, Mouse, Rat                                                                       |
| Clonality                                     | Polyclonal                                                                              |
| Isotype                                       | IgG                                                                                     |
| Purity/Purification                           | Antigen Affinity Purification                                                           |
| Form/Format                                   | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Applicable Applications for anti-SRC antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                    |
| Immunogen                                     | Fusion protein of human SRC                                                             |
| Immunogen Species                             | Human                                                                                   |
| Conjugate                                     | Non-conjugated                                                                          |
| Preparation and Storage                       | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### IMAGES

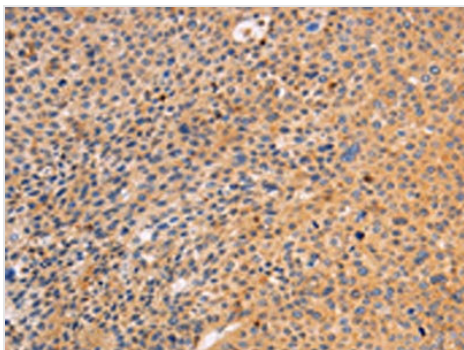

#### SDS-PAGE

Gel: 10%SDS-PAGE, Lysate: 40 ug, Lane: PC3 cells, Primary antibody: AAA237838(SRC Antibody) at dilution 1/100, Secondary antibody: Goat anti rabbit IgG at 1/8000 dilution, Exposure time: 1 minute

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human esophagus cancer tissue using AAA237838(SRC Antibody) at dilution 1/10, on the right is treated with fusion protein. (Original magnification: ×200)

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human liver cancer tissue using AAA237838(SRC Antibody) at dilution 1/10, on the right is treated with fusion protein. (Original magnification: ×200)
