

## Rabbit anti-Human, Mouse ARL6IP1 Polyclonal Antibody | anti-ARL6IP1 antibody

ARL6IP1 Antibody

|                               |                       |                                   |                                                    |
|-------------------------------|-----------------------|-----------------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA238217</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse</b> | APPLICATIONS<br><b>Immunohistochemistry, ELISA</b> |
|-------------------------------|-----------------------|-----------------------------------|----------------------------------------------------|

### PRODUCT SYNONYMS

ARL6IP1; Polyclonal Antibody; ARL6IP1 Antibody; ADP-ribosylation factor-like 6 interacting protein 1; anti-ARL6IP1 antibody

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                         |
|---------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                  |
| Reactivity                                        | Human, Mouse                                                                            |
| Clonality                                         | Polyclonal                                                                              |
| Isotype                                           | IgG                                                                                     |
| Purity/Purification                               | Antigen Affinity Purification                                                           |
| Form/Format                                       | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Applicable Applications for anti-ARL6IP1 antibody | IHC (Immunohistochemistry), ELISA                                                       |
| Immunogen                                         | Fusion protein of human ARL6IP1                                                         |
| Immunogen Species                                 | Human                                                                                   |
| Conjugate                                         | Non-conjugated                                                                          |
| Preparation and Storage                           | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### IMAGES

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human gastric cancer tissue using AAA238217 (ARL6IP1 Antibody) at dilution 1/20, on the right is treated with fusion protein. (Original magnification: ×200)

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human breast cancer tissue using AAA238217 (ARL6IP1 Antibody) at dilution 1/20, on the right is treated with fusion protein. (Original magnification: ×200)
