

## Rabbit anti-Human, Mouse TWF2 Polyclonal Antibody | anti-TWF2 antibody

TWF2 Antibody

| CATALOG # | HOST   | REACTIVITY   | APPLICATIONS                              |
|-----------|--------|--------------|-------------------------------------------|
| AAA238323 | Rabbit | Human, Mouse | Immunohistochemistry, Western Blot, ELISA |

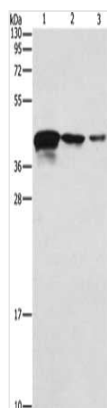

### PRODUCT SYNONYMS

TWF2; Polyclonal Antibody; TWF2 Antibody; Twinfilin actin-binding protein 2; anti-TWF2 antibody

### PRODUCT SPECIFICATIONS

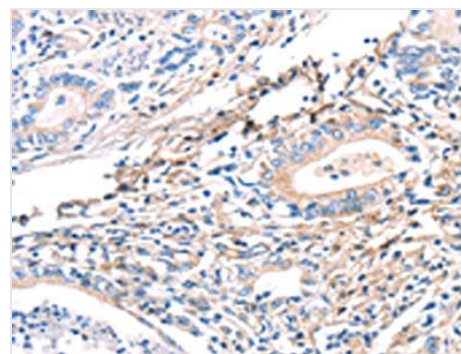

|                                                |                                                                                         |
|------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                  |
| Reactivity                                     | Human, Mouse                                                                            |
| Clonality                                      | Polyclonal                                                                              |
| Isotype                                        | IgG                                                                                     |
| Purity/Purification                            | Antigen Affinity Purification                                                           |
| Form/Format                                    | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Sequence Length                                | 349                                                                                     |
| Applicable Applications for anti-TWF2 antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                    |
| Immunogen                                      | Fusion protein of human TWF2                                                            |
| Immunogen Species                              | Human                                                                                   |
| Conjugate                                      | Non-conjugated                                                                          |
| Preparation and Storage                        | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### IMAGES

#### SDS-PAGE

Gel: 10%SDS-PAGE, Lysate: 40 ug, Lane 1-3: Human endometrial carcinoma tissue, A172 cells, U937 cells, Primary antibody: AAA238323(TWF2 Antibody) at dilution 1/800, Secondary antibody: Goat anti rabbit IgG at 1/8000 dilution, Exposure time: 20 seconds

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human gastric cancer tissue using AAA238323(TWF2 Antibody) at dilution 1/40, on the right is treated with fusion protein. (Original magnification: ×200)

ADDITIONAL INFORMATION

NCBI AND UNIPROT INFORMATION

|                            |             |
|----------------------------|-------------|
| NCBI GI #                  | 94730596    |
| UniProt Accession #        | Q6IBS0      |
| NCBI Official Full Name    | Twinfilin-2 |
| UniProt Protein Name       | Twinfilin-2 |
| UniProt Gene Name          | TWF2        |
| UniProt Synonym Gene Names | PTK9L       |
| UniProt Entry Name         | TWF2_HUMAN  |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
