

## Rabbit anti-Human APMAP Polyclonal Antibody | anti-APMAP antibody

APMAP Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                              |
|-----------|--------|------------|-------------------------------------------|
| AAA240310 | Rabbit | Human      | Immunohistochemistry, Western Blot, ELISA |

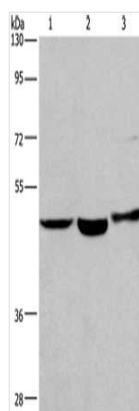

### PRODUCT SYNONYMS

APMAP; Polyclonal Antibody; APMAP Antibody; adipocyte plasma membrane associated protein; anti-APMAP antibody

### PRODUCT SPECIFICATIONS

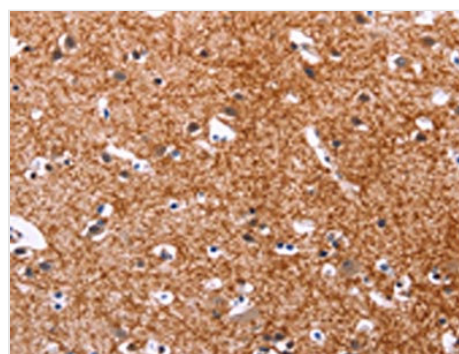

|                                                 |                                                                                         |
|-------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                  |
| Reactivity                                      | Human                                                                                   |
| Clonality                                       | Polyclonal                                                                              |
| Isotype                                         | IgG                                                                                     |
| Purity/Purification                             | Antigen Affinity Purification                                                           |
| Form/Format                                     | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Applicable Applications for anti-APMAP antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                    |
| Immunogen                                       | Synthetic peptide of human APMAP                                                        |
| Immunogen Species                               | Human                                                                                   |
| Conjugate                                       | Non-conjugated                                                                          |
| Preparation and Storage                         | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### IMAGES

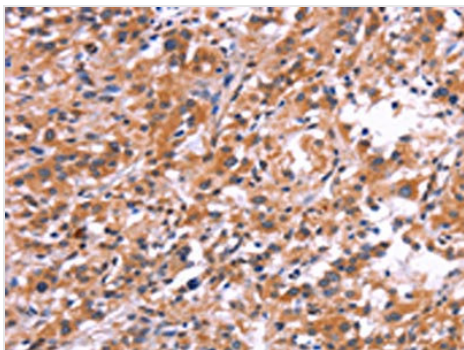

#### SDS-PAGE

Gel: 8%SDS-PAGE, Lysate: 40 ug, Lane 1-3: Human placenta tissue, Human fetal liver tissue, 231 cells, Primary antibody: AAA240310(APMAP Antibody) at dilution 1/400, Secondary antibody: Goat anti rabbit IgG at 1/8000 dilution, Exposure time: 1 minute

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human brain tissue using AAA240310(APMAP Antibody) at dilution 1/30, on the right is treated with synthetic peptide. (Original magnification: ×200)

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human thyroid cancer tissue using AAA240310(APMAP Antibody) at dilution 1/30, on the right is treated with synthetic peptide. (Original magnification: ×200)

## ADDITIONAL INFORMATION

Product Categories/Family for anti-APMAP antibody
