

## Rabbit anti-Human SIGLEC6 Polyclonal Antibody | anti-SIGLEC6 antibody

SIGLEC6 Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                              |
|-----------|--------|------------|-------------------------------------------|
| AAA240926 | Rabbit | Human      | Immunohistochemistry, Western Blot, ELISA |

### PRODUCT SYNONYMS

SIGLEC6; Polyclonal Antibody; SIGLEC6 Antibody; sialic acid binding Ig-like lectin 6; anti-SIGLEC6 antibody

### PRODUCT SPECIFICATIONS

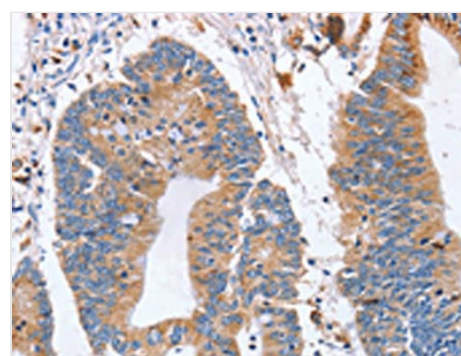

|                                                   |                                                                                         |
|---------------------------------------------------|-----------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                  |
| Reactivity                                        | Human                                                                                   |
| Clonality                                         | Polyclonal                                                                              |
| Isotype                                           | IgG                                                                                     |
| Purity/Purification                               | Antigen Affinity Purification                                                           |
| Form/Format                                       | Liquid; In Phosphate Buffered Saline, pH 7.4, 0.05% NaN <sub>3</sub> , and 40% Glycerol |
| Applicable Applications for anti-SIGLEC6 antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                    |
| Immunogen                                         | Synthetic peptide of human SIGLEC6                                                      |
| Immunogen Species                                 | Human                                                                                   |
| Conjugate                                         | Non-conjugated                                                                          |
| Preparation and Storage                           | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### IMAGES

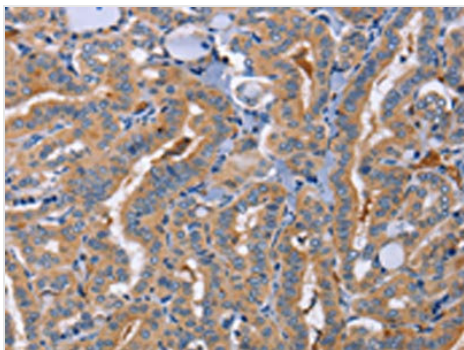

#### SDS-PAGE

Gel: 8%SDS-PAGE, Lysate: 40 ug, Lane: Human placenta tissue, Primary antibody: AAA240926(SIGLEC6 Antibody) at dilution 1/1000, Secondary antibody: Goat anti rabbit IgG at 1/8000 dilution, Exposure time: 1 minute

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human colon cancer tissue using AAA240926(SIGLEC6 Antibody) at dilution 1/70, on the right is treated with synthetic peptide. (Original magnification: ×200)

#### IHC (Immunohistochemistry)

The image on the left is immunohistochemistry of paraffin-embedded Human thyroid cancer tissue using AAA240926(SIGLEC6 Antibody) at dilution 1/70, on the right is treated with synthetic peptide. (Original magnification: ×200)

## ADDITIONAL INFORMATION

Product Categories/Family for anti-SIGLEC6 antibody
