### PRODUCT SYNONYMS

SUPV3L1; Polyclonal Antibody; SUPV3L1 Antibody; FITC Conjugated; ATP-dependent RNA helicase SUPV3L1; mitochondrial (EC 3.6.4.13) (Suppressor of var1 3-like protein 1) (SUV3-like protein 1); SUV3; anti-SUPV3L1 antibody

### PRODUCT SPECIFICATIONS

|                         |                                                                                         |
|-------------------------|-----------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                  |
| Reactivity              | Human                                                                                   |
| Clonality               | Polyclonal                                                                              |
| Isotype                 | IgG                                                                                     |
| Purity/Purification     | >95%, Protein G Purified                                                                |
| Form/Format             | Liquid                                                                                  |
| Immunogen               | Recombinant Human ATP-dependent RNA helicase SUPV3L1, mitochondrial protein (499-786AA) |
| Conjugate               | FITC                                                                                    |
| Storage Buffer          | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4        |
| Immunogen Species       | Homo sapiens (Human)                                                                    |
| Research Area           | Cell Biology                                                                            |
| Target Names            | SUPV3L1                                                                                 |
| Preparation and Storage | Upon receipt, store at -20 degree C or -80 degree C. Avoid repeated freeze.             |

### ADDITIONAL INFORMATION

|                                                     |              |
