

## Canine Repulsive guidance molecule A (RGMA) ELISA Kit | RGMA elisa kit

Canine Repulsive guidance molecule A (RGMA) ELISA Kit

CATALOG #  
**AAA245375**

REACTIVITY  
**Canine**

### PRODUCT SYNONYMS

Repulsive guidance molecule A (RGMA); Canine Repulsive guidance molecule A (RGMA) ELISA Kit; RGMA elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Canine                                                                     |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

|                                              |              |
|----------------------------------------------|--------------|
| Product Categories/Family for RGMA elisa kit | Neuroscience |
|----------------------------------------------|--------------|

### NCBI AND UNIPROT INFORMATION

|                                  |                                                            |
