

## Mouse H3cit-NE (neutrophil extracellular trap) ELISA Kit | H3cit-NE elisa kit

Mouse H3cit-NE (neutrophil extracellular trap) ELISA Kit

CATALOG #  
**AAA251311**

REACTIVITY  
**Mouse**

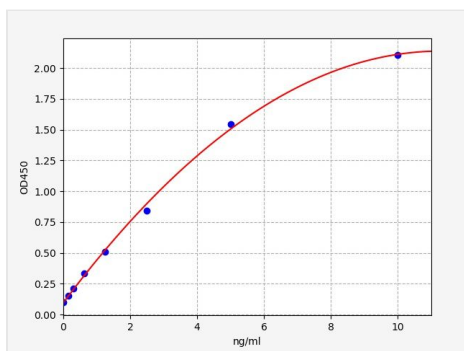

### PRODUCT SYNONYMS

H3cit-NE (neutrophil extracellular trap); Mouse H3cit-NE (neutrophil extracellular trap) ELISA Kit; H3cit-NE; neutrophil extracellular trap; H3cit-NE elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                      |
|-------------------------|--------------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                                |
| Assay Type              | Sandwich ELISA, Double Antibody                                                      |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples |
| Detection Range         | 0.156-10ng/ml                                                                        |
| Sensitivity             | 0.094ng/ml                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                  |

### IMAGES

Standard Curve (Sample)

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
