

## Human LACTB2 (Endoribonuclease LACTB2) ELISA Kit | LACTB2 elisa kit

Human LACTB2 (Endoribonuclease LACTB2) QuickTest ELISA Kit

CATALOG #  
**AAA252701**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

LACTB2 (Endoribonuclease LACTB2); Human LACTB2 (Endoribonuclease LACTB2) QuickTest ELISA Kit; Endoribonuclease LACTB2; Beta-lactamase-like protein 2; LACTB2; LACTB2 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Human                                                                                                 |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 31.25-2000pg/ml                                                                                       |
| Sensitivity             | 18.75pg/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### NCBI AND UNIPROT INFORMATION

|                                  |                               |
|----------------------------------|-------------------------------|
| NCBI GI #                        | 7705793                       |
| NCBI GeneID                      | 51110                         |
| NCBI Accession #                 | NP_057111                     |
| NCBI GenBank Nucleotide #        | NM_016027                     |
| UniProt Accession #              | Q53H82; Q9Y392; A8K2D6        |
| Molecular Weight                 | 32,806 Da                     |
| NCBI Official Full Name          | beta-lactamase-like protein 2 |
| NCBI Official Synonym Full Names | lactamase, beta 2             |
| NCBI Official Symbol             | LACTB2                        |

|                               |                               |
|-------------------------------|-------------------------------|
| NCBI Official Synonym Symbols | CGI-83                        |
| NCBI Protein Information      | beta-lactamase-like protein 2 |
| UniProt Protein Name          | Beta-lactamase-like protein 2 |
| UniProt Gene Name             | <b>LACTB2</b>                 |
| UniProt Entry Name            | LACB2_HUMAN                   |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
