

# Monkey PCSK9 (Proprotein convertase subtilisin/kexin type 10) ELISA Kit | PCSK9 elisa kit

Monkey PCSK9 (Proprotein convertase subtilisin/kexin type 10) QuickTest ELISA Kit

CATALOG #  
**AAA252957**

REACTIVITY  
**Monkey**

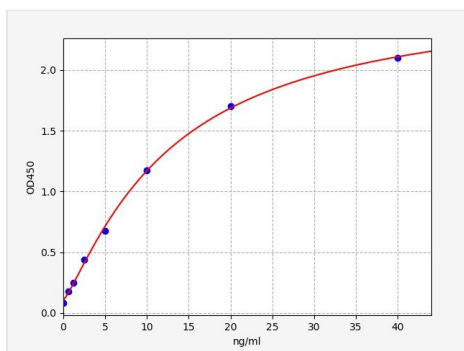

## PRODUCT SYNONYMS

PCSK9 (Proprotein convertase subtilisin/kexin type 10); Monkey PCSK9 (Proprotein convertase subtilisin/kexin type 10) QuickTest ELISA Kit; Proprotein convertase subtilisin/kexin type 9; Proprotein convertase 9; Subtilisin/kexin-like protease PC9; PCSK9; PCSK9 elisa kit

## PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Monkey                                                                                                |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 0.625-40ng/ml                                                                                         |
| Sensitivity             | 0.375ng/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |
