

## Mouse IgG (Immunoglobulin G) ELISA Kit | IgG elisa kit

Mouse IgG (Immunoglobulin G) QuickTest ELISA Kit

CATALOG #  
**AAA252963**

REACTIVITY  
**Mouse**

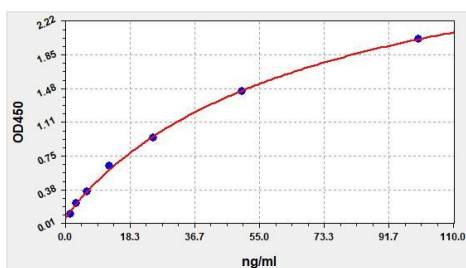

### PRODUCT SYNONYMS

IgG (Immunoglobulin G); Mouse IgG (Immunoglobulin G) QuickTest ELISA Kit; IgG; Immunoglobulin G; IgG elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                      |
|-------------------------|--------------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                                |
| Assay Type              | Sandwich ELISA, Double Antibody                                                      |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples |
| Detection Range         | 1.563-100ng/ml                                                                       |
| Sensitivity             | 0.938ng/ml                                                                           |
| Time                    | 4 hours                                                                              |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                  |
