

## Human GALP (Galanin-like peptide) ELISA Kit | GALP elisa kit

Human GALP (Galanin-like peptide) QuickTest ELISA Kit

CATALOG #  
**AAA253127**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

GALP (Galanin-like peptide); Human GALP (Galanin-like peptide) QuickTest ELISA Kit; Galanin-like peptide; GALP; GALP elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Human                                                                                                 |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 78.125-5000pg/ml                                                                                      |
| Sensitivity             | 46.875pg/ml                                                                                           |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                 |
|----------------------------------|-------------------------------------------------|
| NCBI GI #                        | <a href="#">224586872</a>                       |
| NCBI GeneID                      | <a href="#">85569</a>                           |
| NCBI Accession #                 | <a href="#">NP_001139018.1</a>                  |
| NCBI GenBank Nucleotide #        | <a href="#">NM_001145546.1</a>                  |
| UniProt Accession #              | <a href="#">Q9UBC7</a> ; <a href="#">A1KXL3</a> |
| Molecular Weight                 | 12,545 Da                                       |
| NCBI Official Full Name          | galanin-like peptide isoform 2                  |
| NCBI Official Synonym Full Names | galanin-like peptide                            |

|                          |                                                |
|--------------------------|------------------------------------------------|
| NCBI Official Symbol     | GALP                                           |
| NCBI Protein Information | galanin-like peptide; alarin; gal-like peptide |
| UniProt Protein Name     | Galanin-like peptide                           |
| UniProt Gene Name        | <b>GALP</b>                                    |
| UniProt Entry Name       | GALP_HUMAN                                     |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
