

## Monkey GFAP (Glial fibrillary acidic protein) ELISA Kit | GFAP elisa kit

Monkey GFAP (Glial fibrillary acidic protein) QuickTest ELISA Kit

CATALOG #  
**AAA253149**

REACTIVITY  
**Monkey**

### PRODUCT SYNONYMS

GFAP (Glial fibrillary acidic protein); Monkey GFAP (Glial fibrillary acidic protein) QuickTest ELISA Kit; Glial fibrillary acidic protein; GFAP; GFAP elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Monkey                                                                                                |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 0.313-20ng/ml                                                                                         |
| Sensitivity             | 0.188ng/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### IMAGES

Standard Curve (Sample)

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
