

## Rat Rnls (Renalase) ELISA Kit | Rnls elisa kit

Rat Rnls (Renalase) QuickTest ELISA Kit

CATALOG #  
**AAA253208**

REACTIVITY  
**Rat**

### PRODUCT SYNONYMS

Rnls (Renalase); Rat Rnls (Renalase) QuickTest ELISA Kit; Rnls; C10orf59; RNLS; C10orf59chromosome 10 open reading frame 59; EC 1.4; FLJ11218; MAO-C; Monoamine oxidase-C; renalase; FAD-dependent amine oxidase; Rnls elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Rat                                                                                                   |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 3.125-200ng/ml                                                                                        |
| Sensitivity             | 1.875ng/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### NCBI AND UNIPROT INFORMATION

|                           |                |
|---------------------------|----------------|
| NCBI GI #                 | 62079067       |
| NCBI GeneID               | 361751         |
| NCBI Accession #          | NP_001014189.1 |
| NCBI GenBank Nucleotide # | NM_001014167.1 |
| UniProt Accession #       | Q5U2W9         |
| Molecular Weight          | 34,951 Da      |
| NCBI Official Full Name   | renalase       |

|                                  |                                       |
|----------------------------------|---------------------------------------|
| NCBI Official Synonym Full Names | renalase, FAD-dependent amine oxidase |
| NCBI Official Symbol             | Rnls                                  |
| NCBI Official Synonym Symbols    | RGD1309804                            |
| NCBI Protein Information         | renalase                              |
| UniProt Protein Name             | Renalase                              |
| UniProt Gene Name                | <b>Rnls</b>                           |
| UniProt Synonym Gene Names       | MAO-C                                 |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
