

## Goat GH (Growth Hormone) ELISA Kit | GH elisa kit

Goat GH (Growth Hormone) QuickTest ELISA Kit

CATALOG #  
**AAA253312**

REACTIVITY  
**Goat**

### PRODUCT SYNONYMS

GH (Growth Hormone); Goat GH (Growth Hormone) QuickTest ELISA Kit; Somatotropin; Growth hormone; GH1; GH elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Goat                                                                                                  |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 31.25-2000pg/ml                                                                                       |
| Sensitivity             | 18.75pg/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### NCBI AND UNIPROT INFORMATION

|                           |                                |
|---------------------------|--------------------------------|
| NCBI GI #                 | 550822259                      |
| NCBI GeneID               | 100861230                      |
| NCBI Accession #          | NP_001272515.1                 |
| NCBI GenBank Nucleotide # | NM_001285586.1                 |
| UniProt Accession #       | P67931; P01247; P07289; Q29404 |
| Molecular Weight          | 24,631 Da                      |
| NCBI Official Full Name   | somatotropin                   |
| NCBI Official Symbol      | GH1                            |

|                               |                          |
|-------------------------------|--------------------------|
| NCBI Official Synonym Symbols | GH; GH4; GH5; GH-4; GH-5 |
| NCBI Protein Information      | somatotropin             |
| UniProt Protein Name          | Somatotropin             |
| UniProt Gene Name             | <b>GH1</b>               |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
