

## Monkey IFN-beta (Interferon Beta) ELISA Kit | IFN-beta elisa kit

Monkey IFN-beta (Interferon Beta) QuickTest ELISA Kit

CATALOG #  
**AAA253367**

REACTIVITY  
**Monkey**

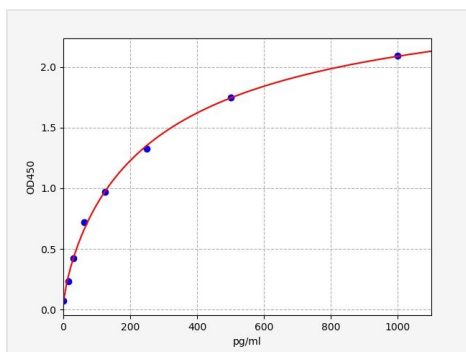

### PRODUCT SYNONYMS

IFN-beta (Interferon Beta); Monkey IFN-beta (Interferon Beta) QuickTest ELISA Kit; Interferon beta; IFN-beta; Fibroblast interferon; IFN-beta elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Reactivity              | Monkey                                                                                                |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                       |
| Samples                 | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| Detection Range         | 15.625-1000pg/ml                                                                                      |
| Sensitivity             | 9.375pg/ml                                                                                            |
| Time                    | 120 minutes                                                                                           |
| Preparation and Storage | Store at 2-8 degree C for 12 months                                                                   |

### NCBI AND UNIPROT INFORMATION

|                               |                           |
|-------------------------------|---------------------------|
| NCBI GI #                     | <a href="#">62510756</a>  |
| NCBI GeneID                   | <a href="#">102115670</a> |
| UniProt Accession #           | <a href="#">O77812</a>    |
| Molecular Weight              | 22,266 Da                 |
| NCBI Official Full Name       | Interferon beta           |
| NCBI Official Symbol          | IFNB1                     |
| NCBI Official Synonym Symbols | IFNB; IFN-beta            |
| NCBI Protein Information      | interferon beta           |

|                            |                 |
|----------------------------|-----------------|
| UniProt Protein Name       | Interferon beta |
| UniProt Gene Name          | <b>IFNB1</b>    |
| UniProt Synonym Gene Names | IFNB; IFN-beta  |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
