

## Rabbit DERP1 Polyclonal Antibody | anti-DERP1 antibody

Anti-DERP1 Antibody, Rabbit Polyclonal

|                               |                       |                              |
|-------------------------------|-----------------------|------------------------------|
| CATALOG #<br><b>AAA257275</b> | HOST<br><b>Rabbit</b> | APPLICATIONS<br><b>ELISA</b> |
|-------------------------------|-----------------------|------------------------------|

### PRODUCT SYNONYMS

DERP1; Polyclonal Antibody; Anti-DERP1 Antibody; Rabbit Polyclonal; Dermatophagoides pteronyssinus DERP1 Antibody; Rabbit PAb; Antigen Affinity Purified; anti-DERP1 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                                                                                                                                                                                  |
|-------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                                                                                                                                                           |
| Clonality                                       | Polyclonal                                                                                                                                                                                                                                       |
| Isotype                                         | Rabbit IgG                                                                                                                                                                                                                                       |
| Specificity                                     | Dermatophagoides pteronyssinus DERP1                                                                                                                                                                                                             |
| Form/Format                                     | Liquid; 0.2um filtered solution in PBS                                                                                                                                                                                                           |
| Applicable Applications for anti-DERP1 antibody | ELISA                                                                                                                                                                                                                                            |
| Immunogen                                       | Recombinant Dermatophagoides pteronyssinus DERP1 Protein ( ).                                                                                                                                                                                    |
| Preparation                                     | Produces in rabbits immunized with purified, recombinant Dermatophagoides pteronyssinus DERP1 ( ). DERP1 specific IgG was purified by Dermatophagoides pteronyssinus DERP1 affinity chromatography.                                              |
| Preparation and Storage                         | This antibody can be stored at 2-8°C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20°C to -80°C. Preservative-Free. Avoid repeated freeze-thaw cycles. |

### NCBI AND UNIPROT INFORMATION

|                         |                |
|-------------------------|----------------|
| NCBI GI #               | 730036         |
| UniProt Accession #     | P08176; Q24616 |
| NCBI Official Full Name | Peptidase 1    |
| UniProt Protein Name    | Peptidase 1    |
| UniProt Gene Name       | <b>DERP1</b>   |
| UniProt Entry Name      | PEPT1_DERPT    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
