

## Mouse Deoxynivalenol Monoclonal Antibody

Anti-Deoxynivalenol Antibody

|                               |                      |                              |
|-------------------------------|----------------------|------------------------------|
| CATALOG #<br><b>AAA260433</b> | HOST<br><b>Mouse</b> | APPLICATIONS<br><b>ELISA</b> |
|-------------------------------|----------------------|------------------------------|

### PRODUCT SYNONYMS

Deoxynivalenol; Monoclonal Antibody; Anti-Deoxynivalenol Antibody; anti-Deoxynivalenol antibody

### PRODUCT SPECIFICATIONS

|                                                          |                                                                                      |
|----------------------------------------------------------|--------------------------------------------------------------------------------------|
| Host                                                     | Mouse                                                                                |
| Clonality                                                | Monoclonal                                                                           |
| Specificity                                              | Reacts only with Deoxynivalenol.                                                     |
| Purity/Purification                                      | Protein G purified                                                                   |
| Form/Format                                              | Liquid in 0.01M Phosphate Buffered Saline, pH 7.2, 50% Glycerol, 0.05% Sodium Azide. |
| Applicable Applications for anti-Deoxynivalenol antibody | ELISA                                                                                |
| Immunogen                                                | Deoxynivalenol conjugated to KLH                                                     |
| Preparation and Storage                                  | Upon receipt aliquot and store at -20°C for one year. Avoid freeze/thaw cycles.      |

### ADDITIONAL INFORMATION

|                                                              |                                             |
