

## Tyr-Uroguanylin Peptide

Tyr-Uroguanylin (Rat)

CATALOG #  
AAA262477

HOST  
Synthetic

### PRODUCT SYNONYMS

Tyr-Uroguanylin; Tyr-Uroguanylin (Rat); Tyr-Uroguanylin peptide

### PRODUCT SPECIFICATIONS

|                         |                                                                                                           |
|-------------------------|-----------------------------------------------------------------------------------------------------------|
| Host                    | Synthetic                                                                                                 |
| Purity/Purification     | > 95%                                                                                                     |
| Form/Format             | Lyophilized Powder                                                                                        |
| Molecular Formula       | C69H105N17O27S4                                                                                           |
| Chemical Structure      | Tyr-Thr-Asp-Glu-Cys-Glu-Leu-Cys-Ile-Asn-Val-Ala-Cys-Thr-Gly-Cys (Disulfide bridge Cys4-Cys12, Cys7-Cys15) |
| Preparation and Storage | Store at -20°C.                                                                                           |
