### PRODUCT SYNONYMS

ROR1; Polyclonal Antibody; Anti-ROR1 Antibody; NTRKR1; Tyrosine-protein kinase transmembrane receptor ROR1; Neurotrophic tyrosine kinase; receptor-related 1; anti-ROR1 antibody

### PRODUCT SPECIFICATIONS

|                                                |                                                                                                                |
|------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                         |
| Reactivity                                     | Human                                                                                                          |
| Clonality                                      | Polyclonal                                                                                                     |
| Specificity                                    | Recognizes endogenous levels of ROR1 protein.                                                                  |
| Purity/Purification                            | Purified by immunogen affinity chromatography                                                                  |
| Form/Format                                    | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.      |
| Sequence Length                                | 393                                                                                                            |
| Applicable Applications for anti-ROR1 antibody | WB (Western Blot)                                                                                              |
| Immunogen                                      | Recombinant full length protein of human ROR1                                                                  |
| Preparation and Storage                        | Shipped at 4 degree C. Upon delivery aliquot and store at -20 degree C for one year. Avoid freeze/thaw cycles. |
