|-------------------------------|-----------------------|----------------------------|-------------------------------------|

### PRODUCT SYNONYMS

ICA69; Polyclonal Antibody; Anti-ICA69 Antibody; Islet cell autoantigen 1; 69 kDa islet cell autoantigen; Islet cell autoantigen p69; ICAp69; p69; anti-ICA69 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                                            |
|-------------------------------------------------|------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                     |
| Reactivity                                      | Human                                                                                                      |
| Clonality                                       | Polyclonal                                                                                                 |
| Specificity                                     | Recognizes endogenous levels of ICA69 protein.                                                             |
| Purity/Purification                             | Purified by Immunogen Affinity Chromatography                                                              |
| Form/Format                                     | Liquid in 0.42% Potassium Phosphate, 0.87% Sodium Chloride, pH 7.3, 30% Glycerol, and 0.01% Sodium Azide.  |
| Applicable Applications for anti-ICA69 antibody | WB (Western Blot)                                                                                          |
| Immunogen                                       | Recombinant fusion protein of human ICA69. The exact sequence is proprietary.                              |
| Preparation and Storage                         | Ships on blue ice. Upon delivery aliquot and store at -20 degree C for one year. Avoid freeze/thaw cycles. |
