### PRODUCT SYNONYMS

PRPF40A; Polyclonal Antibody; PRPF40A Antibody (Rabbit Polyclonal); anti-PRPF40A antibody

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                                                                                                                     |
|---------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                                                                                                              |
| Reactivity                                        | Human<br>Predicted: Mouse, Rat                                                                                                                                                      |
| Clonality                                         | Polyclonal                                                                                                                                                                          |
| Form/Format                                       | Antibody purified by protein affinity column containing 1% BSA and 0.02% NaN <sub>3</sub>                                                                                           |
| Sequence Length                                   | 1424                                                                                                                                                                                |
| Applicable Applications for anti-PRPF40A antibody | WB (Western Blot), ELISA                                                                                                                                                            |
| Host Note                                         | Rabbit polyclonal PRPF40A (1) antibody was raised against a recombinant human PRPF40A protein 776-935aa (BC027178).                                                                 |
| Preparation and Storage                           | Already reconstituted in 200ul sterile H <sub>2</sub> O. The antibody is stable for at least one year when stored at -20°C after reconstitution. Avoid repeated freeze/thaw cycles. |
